1. Within ten days after taking the census, the clerk must send a certified copy of the same to the County School Superintendent.
2. In districts of the second and third class, the clerk must furnish a copy of his census report to the principal or teachers.
3. In using the census blank, clerks will distribute the ages of all children of school age on the table below, using circle (o) to indicate boys, and crosses (x) to indicate girls. Then, in totaling the census, count all the circles, and place them in the proper lines for boys, and count all the crosses, placing them in the proper lines for the girls.
